I undertake that my vehicle is in a roadworthy condition and will not be driven by any persons who, to my knowledge, have been refused motor insurance. I can confirm that all statements set out above and overleaf, though not written in hand, have been read and checked by me and that they are correct.

Important: The following notice should be read as an integral part of your Motor Proposal Confirmation:

Insurers pass information to the Claims Underwriting and Exchange Register, and the Motor Insurance Anti-Fraud and Theft Register, run by the Motor Insurance Bureau (MIB). This helps insurers check information and prevent fraudulent claims. When we deal with your request for insurance we may search these registers. Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may give rise to a claim. When you tell us about an incident we will pass information to the Registers.

Information relating to your insurance policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers' Bureau ("MIB"). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- Electronic Licensing
- Continuous Insurance Enforcement
- Law enforcement (prevention, detection, apprehension and or prosecution of offenders)
- The provision of government services and or other services aimed at reducing the level and incidence of uninsured driving

If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at www.askmid.com.
